

ORANET S+

PROFESSIONAL MULTI-PURPOSE DETERGENT NON FOAMING

DEFINITION

Super concentrated NON FOAMING cleaning detergent for cleaning greasy stains on car bodies, floors and machinery.
Ideal product for use with scrubber-driers, part washers and ultrasonic baths.

ADVANTAGES

Completely removes road film as well as all greasy deposits; leaves no trace.
Powerful cleaning agent, effective even on very dirty surfaces, grease, oils, gasoline, etc.
Economical, since the product is very effective and can be diluted in water.
Product not flammable, solvent-free.
Suitable for use in automatic vehicle wash systems and auto scrubbers, and for manual washing.
Ideal for applications subject to significant agitation (scrubber driers, washing machines, ultrasonic baths, etc.) because it does not generate foam.

APPLICATION FIELDS

Completely cleans painted surfaces and plastic tarpaulins on light and heavy vehicles
ORANET S is a multi-purpose cleaner: floors, cladding and synthetic surfaces.
Cleans floors, lining, workshop mechanical parts, machinery frames, conveyors, etc.

TECHNICAL CHARACTERISTICS

Colour yellow
Density (ASTM D4052) 1.025
pH (pure product) 10
