

## CT 10 EP 2 MULTI-PURPOSE LITHIUM GREASE

### DEFINITION

CT 10 is a high quality, multi-purpose, universal 'lithium' grease.  
This EP2-class grease is far superior to so-called 'petroleum' greases.

### ADVANTAGES

CT 10 contains anti-wear and anti-oxidisation additives; contains heavy metals-free anti-corrosion additives.  
CT 10 adheres well to metals and demonstrates good resistance to water and dust.  
Pumps well.

### APPLICATION FIELDS

CT 10 is recommended for:

- Ball bearings, roller bearings, needles and rollers, main bearings, hinges, works and public works equipment, materials handling and transportation vehicles, agricultural equipment, and any mechanism subject to severe conditions;
- Mechanisms with fast-moving parts;
- Any mechanism carrying loads under impact;
- Humid and dusty environments;
- General lubrication for industrial-use, including in the automobile industry;
- Lubrication for frames, agricultural and civil engineering equipment.
